

Dividers & Accessories

Congratulations on purchasing your new BOTT storage unit. Why not fully utilise your investment with BOTT division equipment and accessories?

The specialist equipment in this leaflet has been developed to help organise storage units so that smaller items can be stored to increase efficiency, reduce breakages and ensure that a full stock of components are on board at all times.

Please select the equipment that best suits your needs or call our sales office

METAL DIVIDER KITS

Metal divider kits are available to suit all drawer sizes. There are two heights available 75mm (suitable for 75 drawers only) and 100mm that are suited to all other sizes.

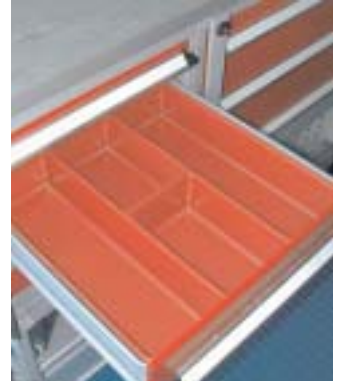

Drawer Depth	500 Wide		750 Wide	
	75mm High	100mm High	75mm High	100mm High
312mm				
6 Compartment	158 51 001	158 51 011	158 52 001	158 52 011
12 Compartment	158 51 002	158 51 012	158 52 002	158 52 012
412 mm				
6 Compartment	158 51 021	158 51 031	158 52 021	158 52 031
12 Compartment	158 51 022	158 51 032	158 52 022	158 52 032
500 mm				
6 Compartment	158 51 041	158 51 051	158 52 041	158 52 051
12 Compartment	158 51 042	158 51 052	158 52 042	158 52 052

Order reference numbers are for one divider kit

INSERT TRAYS

Insert trays are available to suit common drawer sizes. Insert trays are vacuum formed from a single sheet of plastic and are suitable for small components. There are two heights available 75mm (suitable for 75 drawers only) and 100mm that are suited to all other sizes.

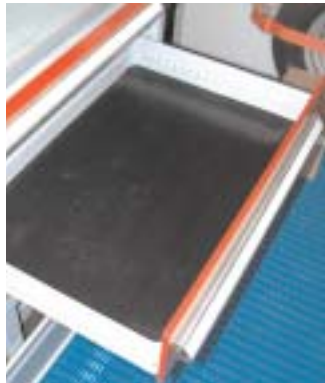

Drawer Depth	500 Wide		750 Wide
	75mm High	100mm High	75mm High
412mm			
3 Compartment	/	/	158 54 007
4 Compartment	158 54 001	158 54 002	/
9 Compartment	158 54 003	158 54 004	/
10 Compartment	/	/	158 54 008
12 Compartment	158 54 005	/	/
500mm			
3 Compartment	158 54 021	158 54 022	/
9 Compartment	158 54 023	158 54 024	/
12 Compartment	158 54 025	/	/

Order reference numbers are for one item only

RUBBER DRAWER MATTING

Rubber drawer matting is available for all drawer types. When drawers are fitted with matting vibration within the drawer is greatly reduced, there is also a reduction in the amount of wear and tear to stored components.

Drawer Depth	500 Wide	750 Wide
312mm	158 64 001	158 64 002
412mm	158 64 021	158 64 022
500mm	158 64 041	158 64 042

Order reference numbers are for one item only

PLASTIC BIN KITS

Plastic bins are an ideal way of organising your shelves. They give the opportunity to label each separate bin to assist stock management. The bins can also be fitted with sub dividers for further segregation.

Shelf WxD	Qty	Order Ref	Shelf WxD	Qty	Order Ref
430 x 312	3	158 50 001	1180 x 312	10	158 50 031
430 x 412	3	158 50 002	1180 x 312	5	158 50 032
430 x 512	3	158 50 003	1180 x 412	10	158 50 033
680 x 312	3	158 50 011	1180 x 412	5	158 50 034
680 x 412	3	158 50 012	1180 x 412	10	158 50 035
680 x 500	3	158 50 013	1180 x 412	5	158 50 036
930 x 312	8	158 50 021	1430 x 312	12	158 50 041
930 x 312	4	158 50 022	1430 x 312	6	158 50 042
930 x 412	8	158 50 023	1430 x 412	12	158 50 043
930 x 412	4	158 50 024	1430 x 412	6	158 50 044
930 x 500	8	158 50 025	1430 x 500	12	158 50 045
930 x 500	4	158 50 026	1430 x 500	6	158 50 046

PLASTIC BIN DIVIDERS

Plastic bin dividers can easily snap in to each bin providing sub-divisions. Each sub-division has provision for an individual label to indicate the contents. On the side of all Bott bins is the bin reference that can be used to identify the order reference (Dividers are sold in packs of 10 only).

Bin Ref	Divider Order Ref (pack of 10)
9101	158 50 101
9103	158 50 102
9111	158 50 101
9113	158 50 102
9121	158 50 101
9123	158 50 102

TOP TRAY DIVIDERS

Top tray dividers are available in two designs, one finishes flush with the top tray, the other is designed for use with A4 files. Count the number of pre-punched holes in the front of the top tray to determine the quantity of dividers required.

Tray Depth	Order Ref
212mm Std	158 17 004.01
312mm Std	158 17 001.01
312mm File	158 17 021.01
412mm Std	158 17 002.01
412mm File	158 17 022.01
500mm Std	158 17 003.01
500mm File	158 17 023.01

Order reference numbers are for individual dividers

LOW FRONT SHELF DIVIDERS

Low front shelf dividers make Bott shelving more efficient. The low front shelves are pre-punched ready to accept the dividers. Count the number of pre-punched holes in the front of your low front shelves to determine the quantity of dividers required.

Shelf Depth	Order Ref
212mm	158 17 014.01
312mm	158 17 011.01
412mm	158 17 012.01
500mm	158 17 013.01

Order reference numbers are for individual dividers

PERFO KITS

Shelving unit ends are punched with the Perfo form and can accept a wide range of accessories, this allows for the storage of various components that may be frequently used or require

50 piece pack

rapid access. For ease of selection the most popular accessories for in-vehicle applications are included as 10, 20, and 50 piece kits.

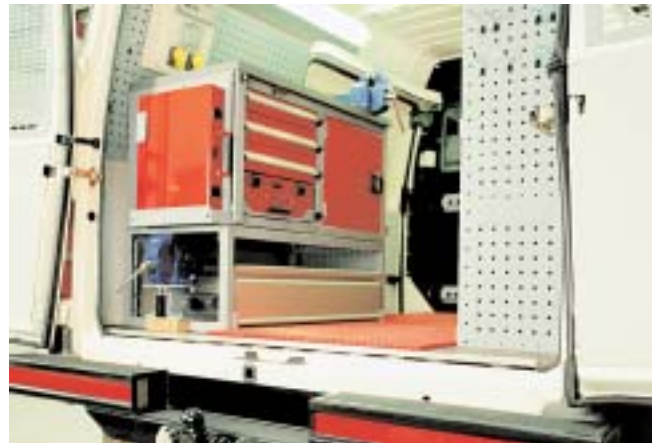

Description	Order Ref	Weight
10 piece pack	158 27 003	0.6kg
20 piece pack	158 27 002	1.0kg
50 piece pack	158 27 001	2.0kg

Order reference numbers are for individual kits

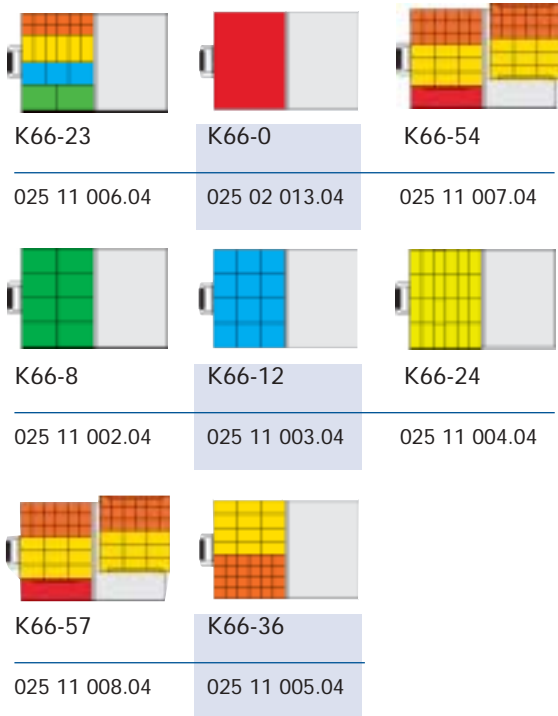

SERVICE CASES

Manufactured from steel and epoxy powder coated, the Bott service case gives high strength and long service life. Service cases are available either empty or fitted with a range of plastic bins.

Special mounting brackets are available for each size of service case. They can be bolted or rivetted to any convenient position within the vehicle.

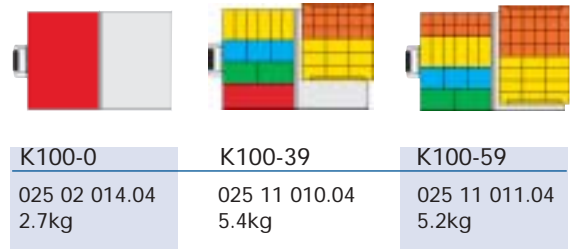

Series 66
