Bott Service Cases

Clarity and organisation...

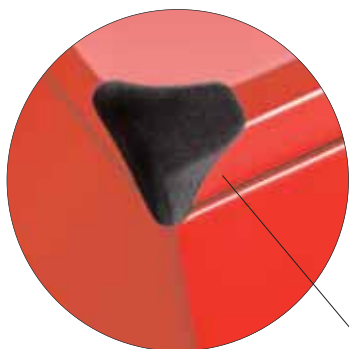

Available in either **red** or **blue**
with four different height options (62 / 87 / 118 / 168 mm)

...applies not only to bott in-vehicle equipment but also to the new service case.

The new protective corners on the bott service case protect both the case and its contents. The corners also prevent the case from slipping on smooth surfaces and provide the stability to allow work to be done safely.

Further innovations include making the existing plastic bins from the in-vehicle equipment range compatible with the service case. The individual can configure his service case on site to suit their specific individual requirements.

Another new feature is the locking system which is even easier to operate and locks automatically when the lid is closed. A variety of configuration options are available including plastic bins, metal dividers and plastic padded trays.

Series S

W 437 x D 336 x H 62 mm
with plastic storage boxes (iron grey)

SB-12
weight 3,5 kg
part ref. 025 11 018.04V

SB-24
weight 3,6 kg
part ref. 025 11 019.04V

SB-30
weight 3,7 kg
part ref. 025 11 020.04V

Series M

W 437 x D 336 x H 87 mm
with plastic storage boxes (iron grey)

MB-12
weight 4,0 kg
part ref. 025 11 023.04V

MB-24
weight 4,2 kg
part ref. 025 11 024.04V

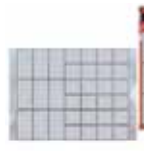

MB-30
weight 4,4 kg
part ref. 025 11 025.04V

Series L

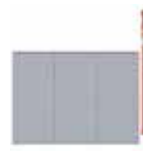

W 437 x D 336 x H 118 mm
with plastic storage boxes (iron grey)
with removable insert

LB-45
weight 5,8 kg
part ref. 025 11 027.04V

LBW-37
weight 5,4 kg
part ref. 025 11 028.04V

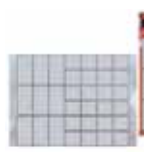

LBW-27
weight 6,0 kg
part ref. 025 11 029.04V

Series X

W 437 x D 336 x H 168 mm
with plastic storage boxes (iron grey)
with removable insert

XB-45
weight 7,0 kg
part ref. 025 11 031.04V

XBW-37
weight 6,9 kg
part ref. 025 11 032.04V

Standard paint finish:

RAL 7001
grey
(all steel components)

RAL 3001
signal red .04
(all controls and functional components)

Standard paint finish:

RAL 7001
grey
(all steel components)

RAL 5010
gentian blue .11
(all controls and functional components)

Service cases empty

W 437 x D 336 mm
made available to allow the individual to customer configure the internal layout

SL-62
H 62 mm
weight 2,9 kg
part ref. 025 02 045.04V

ML-87
H 87 mm
weight 3,1 kg
part ref. 025 02 046.04V

LL-118
H 118 mm
weight 3,4 kg
part ref. 025 02 047.04V

XL-168
H 168 mm
weight 3,9 kg
part ref. 025 02 048.04V

Service case with dividers

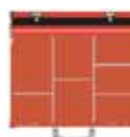

W 437 x D 336 mm

ST-7
H 62 mm
weight 3,3 kg
part ref. 025 11 021.04V

MT-7
H 87 mm
weight 3,8 kg
part ref. 025 11 026.04V

LT-7
H 118 mm
weight 4,4 kg
part ref. 025 11 030.04V

XT-7
H 168 mm
weight 5,3 kg
part ref. 025 11 033.04V

Nozzle case series SD

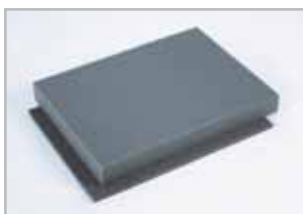

W 437 x D 336 mm
with nozzle insert for 100 nozzles and plastic storage boxes

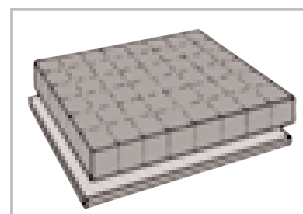

SD
H 62 mm
weight 4,0 kg
part ref. 025 11 022.04V

Grid insert

die-cut foam insert

consisting of :
1 rubber mat W 428 x D 328 x H 12 mm and
1 grid mat W 417 x D 303 x H 40 mm
weight 0,17 kg
part ref. 113 01 299
