## Shelving Configuration (module below is for illustration purposes only)

## Birch Plywood Worktop Option (please note that the height of the module will be reduced by 75mm)

Modules indicated with a **+** are also available in a worktop option. The top tray is substituted for a plywood worktop to enable the user to work within the vehicle. The birch plywood worktop can be used as a writing surface or a work surface, you can even mount a fixed **bolt** vice onto the worktop. If you require a worktop please replace **04** with **08** on the part number.
